Across from Gate D11

At 12:30pm we will all proceed to the departure gate (TBA) for a news conference

Be sure to wear your t-shirts and buttons!

Delta Air Lines allows two free checked bags to Tokyo as long as they meet size and weight requirements. See www.flightoffriendship.com, under Trip Preparations for specifics of Delta Air Lines. Due to transportation limitations in Japan, we encourage you to consolidate and bring minimal bags.

Whether traveling on Delta 617, or another flight, please follow these guidelines in preparation for your international flight:

- Check with your airline for appropriate check in options. Most airlines allow for online check in within 24 hours prior to your flight time.
- Allow adequate time at the airport to complete the check in process and clear security. Most airlines request that you arrive at the airport 2 – 3 hours prior to your flight time.
- Be sure you are carrying a valid Passport.
- If a minor is traveling (under the age of 18), they must carry with them the appropriate notarized parental consent form. See www.flightoffriendship.com, under Trip Preparations.
- IMPORTANT: Be sure to review TSA guidelines for acceptable carry-on items at <http://www.tsa.gov/travelers/airtravel>.

Monday May 30: Arrive Tokyo

Upon arrival at Narita Airport, everyone will claim their bags and proceed through Customs and Immigrations. Those on the group flight will be met by a representative from JTB and escorted to a waiting motorcoach.

If you are arriving on an earlier flight into Tokyo and joining the group transfer, you will also be met by a JTB representative holding a Flight Of Friendship sign in front of the exit. They have everyone's names and arrival times. JTB staff will take you to the place where other members will be gathered first, then give some ideas how to spend extra time in the airport if you need to wait. However, if you have a long wait, they will not wait with you. You will need to come back to the promised place by specified time.

In the event of emergency or delay, a JTB representative can be reached by calling:

03-5796-5423: Office Mon-Fri, 9:30-18:00

090-5495-5226: Cell phone number of General Sales Manager (Junichi KUMADA) for emergency.

These numbers may also be left with family members at home.

Once all bags and travelers have been boarded onto the motorcoaches, they will depart for the Grand Prince New Takawana Hotel.
